1H2025

- NMDC Group reported strong set of results, demonstrating the company's operational resilience, across its different segments, and adaptability amid challenging environment.
- Embraced by strong execution of backlog, NMDC Group revenues grew 10% Y-o-Y to reach AED13.4 billion. This increase was supported by higher revenues generated from NMDC Energy, with its revenues increasing 41% Y-o-Y.
- Group EBITDA rose 25% Y-o-Y to AED2.5 billion with an EBITDA margin of 18%; boosted by strong contribution and margins from the D&M segment. D&M represented 68% of the total Group EBITDA and recorded a strong EBITDA margin of 32%. Meanwhile, NMDC Energy accounted for 32% of the Group EBITDA, with an EBITDA margin of 10%.
- The Group net profit after tax increased 20% Y-o-Y to AED1.8 billion, with net profit margins expanding to 13% in 1H25 up from 12% in the same period of last year. This was underpinned by D&M's profitability (accounting for 67% of the net profit) and higher net profit margins, which came at 23%.

-  Total assets stood at AED36.7 billion, up 11% YTD; driven by an increase in retention receivables, advance payments to suppliers and contract assets.
-  Cash and cash balances increased to AED5.4 billion by the end of 1H25, up from AED5.0 billion at the end of FY24, mainly on strong collections and despite dividend payment of AED862 million and payments to suppliers.
-  Total liabilities reached AED23.1 billion at the end of June 2025, up 12% YTD; mainly related to an increase in advances received from customers and payables to third parties.
-  Total equity increased 8% YTD to AED13.6 billion, on the back of an increase in retained earnings that reflects 1H2025 net profits (AED1.8 bn) less dividends payment (AED862 mn).

EMDAD ACQUISITION

-  On 1st June 2025, NMDC LTS, a wholly owned subsidiary of NMDC Group completed the acquisition of 70% of Emdad.
-  A total provisional purchase price of AED298 million was accounted for this acquisition, with a goodwill of AED158 million being created.
-  As a result of the acquisition, Emdad contributed AED51 million to the Group revenues and AED4 million to its net profit for the month of June.

Net Working Capital	1,314	123	387

- Free cash flow reached AED916 million in 1H25, mirroring strong cash generated from operations which was partially offset by capex spending.
- Capex spending stood at AED693 million in 1H25, mainly on the back of advance payment for the purchase of a CSD dredger for D&M, NMDC Energy's KSA yard and UAE yards upgrade, together with maintenance capex and additions of equipment including barges, pipelines, and technical equipment.
- Net working capital came at AED1.3 billion by the end of June 2025, as the increase in retention receivables, advance payments to suppliers and contract assets out-weighted the increase in advance payments from clients and payables to third parties.

Business Development and Achievements

NMDC LTS Completes the Acquisition of 70% Stake in Emdad

NMDC LTS, completed the acquisition of a 70% equity stake in Emdad, a UAE-based integrated oilfield services provider. The transaction supports NMDC's strategy to expand into the OPEX-driven oilfield services segment and diversify its revenue streams. Emdad offers a broad range of services including well intervention, waste management, shutdowns/turnarounds, coil tubing, and valve services. The acquisition enhances NMDC's competitive edge, strengthens its position in the regional energy services market, and aligns with its long-term growth and diversification strategy.

NMDC Group to establish a new Company "NMDCCC" in partnership with CCC

NMDC Group and Consolidated Contractors Operations (Cyprus) Limited "CCC" have agreed to combine their capabilities and signed Heads of Agreement to establish a new company 'NMDCCC' or "the Company" to operate within the UAE, with branches in Dubai and outside the UAE. Under this agreement NMDC Group will hold indirectly through NMDC INFRA 50%(+1 share) of the Company, while CCC will hold the remaining 50%(-one share), with NMDC Group reserving control and consolidation of the new Company. Additionally, under this agreement both entities have agreed to pursue together other business ventures outside the UAE, through Joint Operations (JOs) arrangements, with particular focus on Africa.

Project Award in Oman

In line with the Group's Strategy that focuses on geographical diversification, NMDC Group has signed a contract for the construction of a marina project in the Sultanate of Oman, with a total value of AED 383 million. The project is expected to be completed within 15 months from the date of signing.

NMDC Group Strengthens GCC Presence with Oman Branch Establishment

As part of NMDC ongoing regional expansion, NMDC Group established a wholly owned subsidiary in Oman. Our presence aligns with Oman's growing EPC market and rising construction activity and enhances the Group's tender eligibility, improves our ICV score, and places the Group closer to potential future opportunities.

A 3-year extension for the Long-Term Agreement with Aramco

NMDC Energy continues to strengthen its long-lasting relationship with Aramco, with a 3-year extension to its Long-Term Agreement ("LTA") and an option for an additional 3 years. NMDC Energy has been involved in multiple projects with Aramco since their previous LTA was signed in 2016. The services provided by NMDC Energy under the LTA cover detailed engineering, material procurement, fabrication, transportation, installation, and pre-commissioning of offshore facilities in connection with projects to be executed within Saudi Arabian territorial waters.

Taipower Project Award

In January 2025, NMDC Energy has been awarded a contract by Taiwan Power Company (Taipower) for the installation of subsea gas pipelines, for the second-phase renewal project of the Tung-Hsiao Power Plant in Taiwan. NMDC Energy will be responsible for the design, construction, and installation of marine pipelines at depths ranging from 10 to 55 meters, extending between Taichung and Tung-Hsiao on Taiwan's west coast. This massive project, valued at \$1.136 billion, enhances NMDC Energy's presence in Taiwan and actively supports its contributions to renewable energy initiatives.
